

Your Gift TO UNITED WAY OF CENTRAL MARYLAND

United Way
of Central Maryland

Basic needs are essential—but not equitable. We work to improve lives for those who call Central Maryland home, providing what's needed, where it's needed to create change.

YOUR GIFT TO UNITED WAY SUPPORTS OUR CORE PROGRAMS:

Education

United Way breaks down barriers to educational equity from every angle, putting more students on the path to learning, earning their diplomas, and achieving their dreams. Our On Track 4 Success program provides a blueprint for helping more at-risk students stay and succeed in school. We are also bridging the digital divide by providing technology today's learning environment demands.

Economic Advancement

United Way works with our neighbors to remove obstacles keeping them from a job that pays the bills. Programs include specialized work initiatives, like a new program and resources to help employers better support and retain hardworking employees facing economic instability. Through GED instruction, job readiness training, career mentoring, and apprenticeships, we put people on track to gain the self-sufficiency we all desire and deserve.

Housing

A place to call home is a basic—and essential—human need, but evictions are taking place at a staggering rate. United Way is one of the largest non-governmental funders of eviction prevention in this area with 14 housing programs, the STEP program, 211 Emergency Assistance, and Relocation and Rent Forgiveness.

Health

People across Greater Baltimore struggle with hunger and access to healthy food options. United Way works to provide enough—and better—food for every family. Our case managers also provide a safe space for our neighbors to talk about mental health and provide information and stress relief care packages to combat stress and anxiety.

OTHER OPPORTUNITIES TO SUPPORT UNITED WAY OF CENTRAL MARYLAND:

2-1-1

211 Maryland United Way Helpline

The 24-hour, free, confidential 211 Maryland United Way Helpline and website connects people of all ages from all communities to essential health and human services. Our professional and caring call specialists can provide information, community resources, and referrals for a variety of needs.

Equity & Social Justice

We apply an equity lens and partner with neighborhood leaders and organizations to ensure those representing different backgrounds maintain equitable access to services and support. Our Young Men United initiative supports young men of color with their educational and vocational dreams. This comprehensive program helps develop a strong pipeline of engaged leaders who excel in their careers and strengthen our workforce.
