## Impact in Carroll County

### Food & Household Goods Distribution

In Carroll County, families and individuals are stretched thin trying to make ends meet. The impact of lost jobs and rising costs have been detrimental. Through our partnership with the Westminster Rescue Mission and Carroll County Public Schools, United Way of Central Maryland provided food and household goods directly into rural communities, where transportation is often a significant barrier to accessing services.

#### Impact (FY24 through Q3):

Provided **360** families with household goods valued at **\$18,435**.

*I am a single mom with 3 kids. You've helped augment my household expenses with these food items and toiletries.*

*Being retired, this program has helped me tremendously! Any little bit helps.*

### 211 Maryland (FY24):

- **642** calls answered
- **Top needs:** Housing, Utility Assistance, Health and Mental Health Services
