

Volunteer to Go: Conventions

Are you bringing people into town for a convention, annual meeting, summit, or conference? Help them get to know your community better with an in-house volunteer project!

United Way of Central Maryland will provide drop-in kit packing opportunities for local visitors to have a lasting impact in the community. United Way will:

- **Provide and set up all materials.**
- **Provide detailed instructions on how to complete the activity.**
- **Staff the booth when needed.**
- **Arrange for pick-up and delivery of materials after the event.**

Kit pricing varies based on the number of kits and conference length. Choices include toiletry kits, calming kits, student support kits, and snack packs. Or let us customize one based on your conference topic!

**For more information,
contact beth.littrell@uwcm.org**
