CORPORATE HOLIDAY SPONSORSHIPS

Sponsor a Shop-a-Thon: Through a Shop-a-Thon sponsorship, groups help provide gifts for families in need. Sponsors have the opportunity to participate in a shopping experience at a local store, selecting toys, clothing and household goods from family wish lists, while the funds are used to purchase the items.

- $6,000 sponsors 10 families (Ideal shopping experience for 10-15 volunteers)
- $8,500 sponsors 15 families (Ideal shopping experience for 15-20 volunteers)
- $11,000 sponsors 20 families (Ideal shopping experience for 20-25 volunteers)

Sponsor a Holiday Gift Shop: A sponsoring group provides funding to create a holiday gift shop experience for children. The sponsorship covers the cost of gifts and shop inventory, allowing children to visit the shop and personally select gifts for their parents, caregivers, and loved ones. Volunteers help set up, assist children in choosing gifts, and package the gifts for the loved ones.

- $7,500 allows for every child at the school to shop. (Ideal event for 15-20 volunteers)

Adopt a Family Center: For many teen moms, balancing the responsibilities of raising a child while pursuing education, employment, or personal goals can be especially difficult. Holiday support helps ensure their children experience the joy and excitement of the season while allowing the parent to focus on their family's well-being. A sponsoring group can bring a joyful holiday experience including games, food, and gifts to all the students in one of our Family Centers. Sponsors can also volunteer at the event!

- $15,000 ensures 20 toddlers and their parents have an amazing holiday season. (Ideal event for 20-25 volunteers)
